### The 2015-2016 Read for Ronald McDonald House Program

#### Kids Helping Kids

The Read for Ronald McDonald House Program is a service learning project that raises funds to support the Albany Ronald McDonald House through partnerships with local elementary and middle schools and youth community groups. In addition to helping the children and families of the House, the program: promotes the value of community service, encourages students to read and benefits the participating school or youth group, with a rebate of 10% of funds raised going back to the school/group.

Thank you for your interest in supporting our House! If your school or group is already participating in our program, please join your school/group's team. Is your school or group not participating in the program, but you still want to Read for Ronald McDonald House? No problem! If you are an individual reader, not associated with a participating school or youth group and would like to sign up, simply select "join as an individual" when you register.

If you have any questions, or your child's school or youth group does not appear in the drop down menu, please contact Nancy Damato at (518) 438-2655 or at [ndamato@rmhcotalbany.org](mailto:ndamato@rmhcotalbany.org).
