From the Principal's Desk...

Dear Parents and Guardians,

Our K-2 students had lots of fun on Monday morning this past week as they attended a live Theatreworks performance of "Pete the Cat", one of their favorite literary characters! We are very grateful to our fabulous PTO for bringing Pete to town. The Genet PTO's outreach to the other elementary schools' PTOs made it possible for all our K-2 students, district-wide, to attend. Special thanks go out to Mrs. Carrie Germano, our Genet parent who coordinated this huge undertaking! Thank you!

The Annual Lip Sync show is this evening, Friday, March 31st. I hope to see you there! I hear the acts this year are great and that the Faculty performance will surely entertain us! The show begins at 6:30 PM, in the Auditorium.

On Monday evening, April 3rd, at 6:30 PM, Superintendent of Schools, Mr. Jeffrey Simons, and Assistant Superintendent for Finance, Mr. Larry Edson, will be attending our PTO Meeting in the Genet Conference Room. Mr. Simons and Mr. Edson will present very important information about our upcoming Capital Improvement Project proposal. Information about how this project would directly benefit Genet Elementary School will be provided. I think this information will be very helpful to our parents as they get ready to vote on May 16th for our School Budget and the Capital Improvement Project. Please join us on Monday evening if you can.

Still waiting for Spring!

Best regards,

Ana Yeomans
