

May's Guiding Principle is..."Cooperation"

From the Principal's Desk...

Dear Parents and Guardians,

Congratulations are in order for a number of our students who have been nominated by the Physical Education Department to receive a Sandra Morley Student Leadership Award next week. The award ceremony will be held at HVCC on Monday, Math 8th. These awards are given yearly to Grade 5 students who exhibit qualities of leadership and good sportsmanship. Our recipients are:

Natalia Moynihan
Skylar Whitman
Andrew Gabriel

Luke Cioffi
Mandy Sheehan

Isabella Sano
Jayden Satalino

Cole Durivage
Emily Wilson

A big thank you goes out to Mrs. Andrea Bauer for all of her hard work coordinating the "Tools for Schools" program and to all of you who have participated in the program! Our school received almost 60,000 points which were redeemed to secure equipment for our students to use during recess time! The monitors enjoyed selecting items from the catalogue provided that they felt the students would most enjoy. On the way to Genet are 24 Gator Balls, Basketballs (3), Playground Balls (3), and Soccer Balls (6). Thank you again!

The school year is rapidly approaching its end. On the next page of this Journal are the dates for a number of year-end events and activities. Should you have any specific questions about any of these events, please give us a call at school. It looks like a fun and busy seven weeks ahead!

Best regards,

Ana Yeomans
