

Materials needed for Mrs. Adams Kindergarten (2017-2018) School Year

1. Regular size Elmer's blue glue.- may be hard to find. If you can't find, the white glue is fine.
2. 6 White glue sticks.
3. 5 Boxes of crayons-regular size Crayola "24" in number. 4 for the classroom- 1 for at home
4. 2 regular size boxes of Kleenex.
5. 2 Boxes of Crayola "Classic" Markers-10 count (box with pink and gray included). Do not get the skinny ones.
6. One box of jumbo crayons (8 count).
7. 1 Hole punch with attachment to catch punched out pieces. The big three hole punch is not what we're talking about. It is the smaller one that costs about a dollar or two. You keep this at home to punch holes in index cards for sight words.
8. 2 packages of index cards 3x5 in size to write sight words on cards to review at home throughout the year.
9. Four pocket folders to bring papers to and from school and to keep on their tables for daily work. The heavy plastic ones are the best for durability. Buying four now will save you a bunch as they really increase in price after the first month of school. These should last us the whole year and will be sent home at the end of the year if not used by your child.
10. 4 Dry erase markers – (low odor).
11. 2 boxes of quart size Ziploc bags with **Zip Close**. 1box of Gallon Zip Loc bags with **Zip Close**.

See back of sheet.

- 12. One pair of men's white tube socks to be used for erasing our individual dry erase boards.**
- 13. Book bag/Backpack.**
- 14. Mom or Dad's old t-shirt for art projects. Mom or dad's old t-shirt seems to be the very best. It goes on easily, is long enough and the sleeves seem to be just right for our little ones in kindergarten.**
- 15. A towel for rest time. A large bath towel appears to work best. Please, no oversized towels, our room is too small to spread these all the way out.**
- 16. A shoebox or plastic equivalent filled with a change of clothes (underwear, socks, shirt and shorts or long pants depending on the season).**
- 17. Sneakers should be worn everyday.-Party shoes and sandals are dangerous on the playground.**
- 18. 1 Primary marble composition notebook.**
- 19. 12 #2 pencils. Ticonderoga Brand-please ☺ The “made in China” pencils are terrible. They break continuously and won’t even sharpen without a huge waste of the pencil.**
- 20. 1 black permanent marker for labeling supplies (you can keep this at home).**
- 21. Please be sure to buy an extra set of crayons, pencils and glue sticks for homework assignments. The children will also need a pair of children’s scissors to keep at home for homework.**

**PLEASE, PLEASE, PLEASE
MARK EVERYTHING WITH YOUR
CHILD'S NAME!**

Glue sticks and pencils do not need labels.

All of these things can be found at our local chains for a great sale price in late July or beginning of August. See you in September!
