From the Principal's Desk...

Dear Parents and Guardians,

The East Greenbush Central School District is committed to providing safe and secure learning environments for all of our students. As part of our continuing efforts to prepare staff and students for all possible emergency situations, we regularly practice fire drills, shelter-in-place and lock-out and lockdown drills. This year we will also practice a school evacuation drill. This drill will prepare us for any circumstance which might require us to move all students and staff from Genet Elementary and bring them to another location.

Our first **School Evacuation Drill** will take place on **Thursday, October 12, 2017**, at approximately 9:30 AM. During the drill we will load all students by grade levels, with their teachers, onto District school buses and transport them to Howard L. Goff Middle School. Attendance will be taken for all and the buses will park at Goff as attendance rosters are collected. The buses will then depart Goff and return to Genet where students will disembark and continue with their school day. During the Evacuation Drill there will be no pick up or drop off of students.

Prior to the drill we will talk with students about the importance of remaining quiet and cooperative during this practice drill. In the event of a real emergency it would be important for us to be able to move quickly and safely and to be able to account for all of our children and staff members. Should you have any questions prior to October 12th, please feel free to contact me at school. Thank you for your support of our efforts.

Best regards,

Ana Yeomans
