Fifth Annual EGCS D Staff Volleyball Battle

Congratulations to Goff Middle School for winning the 2017 Staff Volleyball Battle! We had a full house as all seven district schools competed for the annual crown. This year, Goff took down Columbia in the finals to win their second annual crown. Each school was represented by faculty and staff at the tournament which collected cans for local food pantries and raised \$750 for the Peg Girtler-Siver Memorial. Thanks to all staff members who participated in the volleyball Battle!
