

Goff Therapy Dog Opt Out Form

All students will have the opportunity to interact with Goff Middle School's therapy dog. However, if you choose to have your child not interact with the dog, we will do our best to honor your wishes. If your child regularly has class with Mrs. Yovine or has counseling services with Mr. Eggleston, they will make sure that the dog is not there when your child is present. In addition, if the therapy dog is invited into a classroom, the handler will not bring the dog with them. The dog will be at large school events such as assemblies and after school events, and we will do our best to make sure that the dog is not near your student in these settings. **If you do not send this form back with your signature, then it is our understanding that you are giving permission for your child to interact with the dog.** If you do choose to turn this form in, please send it in with your child by Friday, September 13, 2019.
