SCHOOL DISTRICT WEBSITE

The school district website (www.egcsd.org) is a key communications tool for the district. Community members are encouraged to check the site for the most up-to-date information about district schools, including news about what our students are learning and the challenges our district faces. Residents can also follow us on social media: [facebook.com/egcsd](https://www.facebook.com/egcsd) and @EGreenbushCSD.

SAFETY AND SECURITY

To ensure the safety of our students, it is the policy of the District's Board of Education that all building visitors must report to the main office of the school they are visiting.

Notifications/Policies

The East Greenbush Central School District is required to provide certain notifications to parents/guardians on an annual basis. Additional information may be accessed on the district website at: <http://www.egcsd.org/board-of-education/annual-notifications>.

Student Attendance Policy, Code of Conduct, Professional Development Plan and APPR Plan: These policies may be reviewed, in their entirety, on the District's website (www.egcsd.org) or may be obtained at the District's Administration Center.

East Greenbush Central School District Code of Conduct Summary 2016-2017 School Year

August 2016

Dear Parents, Students, Teachers, Staff, Administrators and Members of the East Greenbush Central School District Community:

The Safe Schools Against Violence in Education Act ("SAVE") has required all public school districts in New York State to develop a code of conduct to set forth the districts' expectations for behavior on school property. The East Greenbush Central School District strives to operate upon principles of civility, mutual respect, good citizenship, character, tolerance, honesty and integrity. The District has worked collaboratively with the school community to create a code of conduct that helps foster a positive learning experience for all our students in grades K-12. Positive student behavior is critical to providing an environment conducive to learning each and every day. The code of conduct sets forth district policy, legal rights and responsibilities, refers to current laws and regulations and may seem very detailed and technical. However, this is necessary to include all of the rights and responsibilities of any person on school district property as required by law. The code of conduct is one of the cornerstones for enactment of the SAVE Regulations. Many of our responses and plans associated with providing and maintaining a safe environment for our children and staff will depend on the spirit of the code and the ensuing regulatory guidelines for each building. The code of conduct is reviewed and revised annually. During the past several years the code of conduct was revised to add and to strengthen provisions that are intended to prevent physical and verbal bullying, cyber bullying and other forms of harassment of students. The revisions include a streamlined and confidential procedure for reporting bullying and harassment complaints to the main office in each school building.

The code of conduct will be reviewed with all faculty and students during the opening days of school. In an effort to conserve paper and reduce expenses, a single copy of the Code of Conduct will be sent home to each family. It is also available online at:

<http://www.egcsd.org/codeofconduct>

Additional hard copies of the document are available upon request. Details about the new procedures related to bullying and harassment can be found on the District's web site at <http://www.egcsd.org/wp-content/uploads/2016/05/0115-R.pdf>.

Upon receiving the code of conduct, please complete the last page of the document, indicating you have reviewed the document with your child(ren) and return it to the main office at your child's school the first week of school. If additional copies are needed, you can download the form from the District website or request a copy from your child's school. If you have any questions please contact your child's Principal.

On behalf of the District, thank you for your cooperation.

Sincerely,

Mr. Jeffrey P. Simons
Superintendent of Schools

Asbestos Notification: Written notice must be annually provided to parents, teachers and employee organizations of the availability of asbestos management plans, and any current or planned asbestos inspections, response actions and post-response actions. A copy of these documents is available on the District's website (www.egcsd.org) or may be obtained at the District's Administration Center.

Equal Opportunity and Nondiscrimination (Title IX and Section 504):

Educational programs in the East Greenbush Central School District, including but not limited to vocational programs, are offered without regard to actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sex; sexual orientation, or gender (including gender identity and expression). The Board of Education does not discriminate against any student, employee or applicant on the basis of race, color, national origin, creed, religion, marital status, sex, age, sexual orientation, disability or predisposing genetic characteristic. The Board of Education is committed to providing an educational and working environment that promotes respect, dignity, and equality and that is free from all forms of harassment and hazing. The district will promptly investigate all complaints of hazing and/or harassment, either formal or informal, verbal or written. Inquiries or complaints should be filed with the principal or Michele Bowman, Title IX Officer, 29 Englewood Avenue, East Greenbush, NY, or by calling (518) 207-2526.

Free and Reduced Meals: Children from households that meet federal income guidelines are eligible for free meals or reduced price meals. Applications for the Free and Reduced Price Meals program are available on the District's website (www.egcsd.org) or may be obtained at the school office.

Homeless Children: The Board will provide homeless children attending the District's schools with access to the same free and appropriate public education, including preschool education, as other children.

Influenza Information: New York State Public Health Law Section 613 requires schools post influenza educational material, in plain view, within their facilities. That information is also available on the District website at (www.egcsd.org).

Pesticide Notification: New York State Education Law Section 409-H, and State Education Department Commissioner's Regulation 155.24, requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year.

Release of Information to the Military: The No Child Left Behind Act (NCLB) requires that school districts disclose to military recruiters and institutions of higher learning, upon request, the names, addresses and telephone numbers of our high school students. However, parents or students may request, in writing, that the district NOT release such information. Parents, or students who are at least 18 years old, may exercise the option to withhold their consent to release this information by contacting the principal's office at Columbia High School.

Smoking and Other Tobacco Use on School Grounds: Due to the health hazards associated with smoking, and in accordance with federal and state law, the Board of Education prohibits smoking and all other tobacco use in all school buildings, on school grounds, and in any vehicle used to transport children or personnel.

Student Directory Information

Under the Family Educational Rights and Privacy Act (FERPA), parents and or students who do not wish directory information (student's name, address, degrees and awards received, etc.) to be disclosed should notify, in writing, the Superintendent of Schools at: East Greenbush Central School District, Administration Center, 29 Englewood Avenue, East Greenbush, NY 12061.

Student Privacy: Pursuant to the Protection of Pupil Rights Amendment, the District must notify parents of its student privacy policy, and how it pertains to certain student surveys that may be conducted during the school year. Student Privacy Policy 5550 may be viewed online at the district website (www.egcsd.org) or obtained from District Administration Center, 29 Englewood Avenue, East Greenbush, NY 12061.

Student Records: Under the Family Educational Rights and Privacy Act (FERPA), students age 18 or older (and parents of students under 18) have a right to inspect and review any and all official records, files, and data directly related to their children or themselves. Parents should request access to school records in writing from the principal, guidance counselor, or Superintendent of Schools. Upon receipt of the request, arrangements will be made to provide access to the requested records within a reasonable period of time, not more than 45 days after the request has been received. Parents and students are also entitled to a hearing to challenge the content of such records. Any questions concerning the procedure to be followed in requesting such a hearing should be directed to the Superintendent.

Student records are confidential and may not be released or made available to persons other than parents or students without written consent. There are a number of exceptions to this rule, such as school employees and officials, as well as certain state and federal officials, who have a legitimate educational need for access to such records in the course of their employment.

Transportation Notice for Special Busing Arrangements: The District transports children to and from their primary residence. Parents may request their child be transported to and from childcare sites within their school attendance zone or to New York State Licensed Childcare Providers anywhere within the school district boundaries. Special transportation requests must be received before April 1st for the upcoming school year.

Parents of resident students in need of transportation to a private or parochial school must submit a request for transportation to non-public schools to the Transportation Department no later than April 1st for the upcoming school year.

New residents to the district must submit the special request forms for daycare transportation or private/parochial school transportation within 30 days after establishing residence in the district.

The district will only transport a child to their primary residence and one childcare provider. In addition, a new application for special busing arrangements must be made every year even if daycare and private school enrollment have not changed.

SCHOOL CANCELLATIONS

When it is necessary to close school, due to a snowstorm or treacherous road conditions, an announcement is immediately provided on the following radio and television stations:

- WGY (810 AM/103.1 FM) • WFLY (92.3 FM) • WYJB (95.5 FM) • WRVE (99.5 FM) • WGNA (107.7 FM)
- Television channels 6, 9, 10, 13 and 23.

All school closings and cancellations will also be posted on our website at www.egcsd.org.

The decision to close the schools is made by the Superintendent of Schools after consultation with the Supervisor of Transportation. Occasionally, although schools may be open, due to local weather and road conditions it may not be possible for school buses to travel certain roads within the District. IN SUCH A CASE, STUDENTS SHOULD WAIT FOR 15 MINUTES AFTER THEIR NORMAL PICKUP TIME AND THEN RETURN HOME OR GET TO SCHOOL ON THEIR OWN INITIATIVE. Such situations are regretted but unfortunately are unavoidable. Your cooperation in such cases is greatly appreciated.

Parents should also be aware that changing weather patterns might force the early closing of schools. It is suggested that contingency arrangements be made with neighbors in the event that one or both parents are working. This will assure that the children will have a warm place to go in the event that classes are dismissed early. Should this necessitate your child changing bus routes please be sure that his/her school is aware of these arrangements at the start of the school year.
