

Summer Reading at Green Meadow Library

Grades 2 to 3

Here is a reading list of some suggested titles of new and favorite books to read over the summer. Like anything else, in order to improve reading, students need to practice and summer is a perfect time to do this. The public libraries, book stores, legislators, and even banks offer all kinds of fun incentives to encourage students to read. Pick a time and place to read every day – a hammock, under a tree, by the ocean – anywhere and read! Many of the titles are available on e-readers and through the public library's and the School Library System's Overdrive. The SLS Overdrive link is available via the school library online catalog.
