

# THIRD GRADE SUMMER READING

## LIST

Third grade students,

Summer is here and it's the perfect time to curl up with some great books! We are asking that you complete one book project this summer and to choose one of the books from below. Four of these choices are part of a series, so if you decide on one of those four options, you may choose any book in that series! Have fun with this project! Make sure you follow all directions included and use the models as a guide to fill in and illustrate on the large poster paper provided. The project will be due September 7, 2027 when we return to school and will be counted as your first official reading grade in third grade AND be displayed in the hallway for everyone to admire😊

We look forward to seeing you in September!  
Have a fun-filled summer!  
Health & Happiness,
