

2nd Annual #SeanStrong5k

c/o the Jucha Family
22 Kris Crossing East Greenbush, New York 12061
seanstrongfundraiser@gmail.com

The East Greenbush Community is gathering together to honor a young man who touched every life he met, Sean Jucha. Sean was a healthy and robust boy until the summer he turned ten in 2013 when he was diagnosed with Gliomatosis Cerebri. The research for this rare malignant brain tumor is severely underfunded. Sean lost his battle on August 28, 2016. Since then, Sean's family and friends have made it their mission to raise money for research and ensure no other family suffers from this disease.

We are hosting a Run/Walk series on June 3, 2018 and are asking for your participation to make this event possible. All proceeds from this event will be specifically directed to some of the country's top medical researchers at the Dana Farber Cancer Institute in Boston, MA where Sean received treatment. These researchers are working on a cure for the tumor that claimed Sean's life and are funded solely on proceeds and donations.

There are many ways to support and become involved and support the event, with sponsorship levels to meet all budgets. Our sponsorship levels are outlined on our event flyer.

On behalf of the #SeanStrong5k Committee, the Dana Farber Cancer Institute and most importantly the Jucha Family and other patients and families who will benefit from our efforts, thank you for your consideration. If you have any questions, please contact me at (518) 330-7684 or email us at: Seanstrongfundraiser@gmail.com. Checks can be made out to Dana Farber Cancer Institute with #SeanStrong5k in the memo.

Sincerely,

Muriel Church
Event Coordinator

Heather and Bob Jucha

2018 #SeanStrong5k Sponsorship Form

Contact Name: _____

Company Name: _____

Company Address: _____
