

Columbia High School Physical Education
Bowling Field Trips 2019-2020
Round 1: December 2nd - December 17th
Round 2: January 2nd - January 17th

Dear Parents/Guardians,

Columbia High School is sponsoring free bowling trips for all the PE classes. We are excited to have this opportunity as Bowling is a lifetime fitness and recreational activity. Each year this proves to be a favorite amongst the Columbia students. We are very fortunate to have Spare Time Lanes and CHS working together. This unit is a required part of the CHS PE curriculum and all students must attend.

All Students will have the opportunity to bowl for 6 classes from either 12/2 to 12/17 or from 1/2 to 1/17 based on your scheduled PE teacher. If there is a cancellation, make-up days will be filled in as needed. The cost for 6 classes of bowling is just **\$0**.

<u>TEACHER</u>	<u>ODD DAY DATES</u>	<u>EVEN DAY DATES</u>
Conte	December 2-17	January 2-17
Hosley	January 2-17	December 2-17
Hotaling	December 2-17	January 2-17
Jones	January 2-17	December 2-17
Servidone	December 2-17	January 2-17

In the event of missed classes, students may join another class, during an unscheduled class period. When a student makes up a bowling class they must have a pre-signed pass from their regularly scheduled PE instructor, thereby confirming their absence/make-up. Students may not make up a regularly missed PE class with a bowling class.

Students will be provided transportation by an EGCS D bus. They are not allowed to drive to, be dropped off, or leave from the bowling alley. Bowling is a privilege. All school rules must be observed or this privilege will be revoked without refund. Questions can be directed to Mr. Hosley, CHS PE Dept. @ 207-2083
