New York State
Deferred Compensation Plan

A Plan for Your Future

Good day,

This is Mike Kochan, your representative with the NYS Deferred Compensation Plan. I wanted to remind you that we're continuing to provide a personal and extraordinary experience to NYSDCP participants.

As you know, in response to the required social distancing efforts, our Troy walk-in office is currently not open to visitors. However, we are still here to help and offer three easy options for service and education:

- As always, we can be reached at our Helpline at 1-800-422-8463 for continued uninterrupted service.
- I am available for one-on-one **virtual** or **phone** appointments. Please contact me for an appointment at any time using this link (put cursor over link and press control+click to follow link) https://mike_kochan.myretirementappt.com/ .
- For a quick question you can also reach me on my cell 518-986-3342.

Thank you, Mike Kochan

Please forward this email to all employees so they also know we're here to help, and reach out to us about your account as well.
