

East Greenbush CSD District-Wide Safety Plan 2021-2022 School Year

Introduction

Emergencies and violent incidents in school districts are critical issues that must be addressed in an expeditious and effective manner. New York State school districts are required to develop a district-wide school safety plan designed to prevent or minimize the effects of serious violent incidents and emergencies and to facilitate the coordination of the district with local and county resources in the event of such incidents and emergencies.

The district-wide plan is responsive to the needs of the district and is consistent with the more detailed emergency response plans that are required at the school building level. District face risks from a wide variety of acts of violence, natural, and manmade disasters. To address these threats, New York State has enacted the Safe Schools Against Violence in Education (SAVE) law. Project SAVE is a comprehensive planning effort that addresses prevention, response, and recovery in respect to a variety of emergencies in each school district and its schools. Enacted into law in 2001, Project SAVE (also known as Education Law §2801-a) is fully supported by the East Greenbush Central School District and all of its schools. The Superintendent of the East Greenbush CSD, and the Board of Education of the East Greenbush CSD, encourages and advocates on-going district-wide cooperation and support of Project SAVE.

New York State Education Law § 2801-a, as well as Education Law Section 807, (as Chapter 54 of the Laws of 2016, have both been amended as of July 1, 2016. This plan addresses Commissioner's Regulations 155.17(b)(13), as well as 155.17(c)(1)(i-xix), as prescribed by law.

Section I: General Considerations and Planning Guidelines

A. Purpose

The East Greenbush CSD District-Wide Safety Plan was developed pursuant to Commissioner's Regulation § 155.17, New York State Education Law § 2801-a, and Education Law Section 807. At the direction of the East Greenbush CSD Board of Education, the Superintendent of Schools is tasked with the formation of a District-Wide School Safety Team and one of the charges of the District-Wide Team is the development and maintenance of the District-Wide Safety Plan and the Building-Level Safety Plans.

As required in New York State Education Law § 2801-a, the East Greenbush CSD will designate Superintendent Jeffrey P. Simons as its Chief Emergency Officer for the 2021-2022 school year.

B. Identification of School Teams

The East Greenbush CSD has a District Emergency Response Team comprised of Central Office Administrators, the Districtwide Safety Coordinator, the Transportation Director, and the PPS Office Administrators, the Athletic Director, and other members of various Building Level Safety Teams. The initial response in any building will be by the Building Level Emergency Response Team, which may differ slightly from the Safety Team.

C. Concept of Operations

The District-Wide School Safety Plan is directly linked to the individual Building-Level Emergency Response Plans for the East Greenbush CSD. The protocols listed in the District-Wide School Safety Plan will be used to guide the development and implementation of the individual Building-Level Emergency Response Plans.

The development of the District-Wide School Safety Plan is an on-going, collaborative effort that includes the Superintendent of Schools, Central Administrative Team, the Districtwide Safety Coordinator, the District Safety Team, Building Administrators, the Building Level Safety Teams, the Transportation Department, and the local Emergency Services (Police, Fire, EMS, and Emergency Management). This plan was further developed with guidance from NYSED and the New York State Police.

The Superintendent of Schools has designated himself as the Chief Emergency Officer for the 2021-2022 school year. The Chief Emergency Officer (or designee) is responsible for coordinating communication between staff and law enforcement and first responders and for ensuring the staff's understanding of the district-level safety plan. The Chief Emergency Officer (or designee) shall be responsible for ensuring complete and yearly update of the building-level emergency response plans.

In the event of an emergency or violent incident, the initial response to all emergencies at an individual school will be by the Building-Level Emergency Response Team. The East Greenbush Central School District consists of the following facilities:

Columbia High School	Howard L. Goff Middle School
Genet Elementary School / Administration Center	Red Mill Elementary School
Green Meadow Elementary School	Bell Top Elementary School
Donald P. Sutherland Elementary School	Transportation Center

All staff members in the District will be trained on the Building Level Safety Plans during the first day of work in late August or early September, at the District's first professional development day. If a staff member is hired after that date, they will be trained within 30 days of their hire date.

All information pertaining to an emergency or violent incident will be directed to either the Building Principal/Designee or the District Emergency Response Team.

Upon the activation of the Building Level Emergency Response Team, the Superintendent of Schools or his/her designee and District Emergency Response Team will be notified. When appropriate, local emergency officials will be notified by calling 9-1-1.

Town/Village, County, and State resources through existing established protocols may supplement the emergency response efforts.

D. Plan Review and Public Comment

This plan shall be reviewed and maintained by the District and Building Level Emergency Response teams on an annual basis.

When significant changes are made, pursuant to Commissioner's Regulation 155.17(e)(3), this plan will be made available for thirty (30) days prior to adoption. The district-wide and building-level plans may be adopted by the Board of Education only after at least one public hearing that provides for the participation of school personnel, parents/guardians, students, and any other interested parties. This plan must be formally adopted by the Board of Education.

While linked to the District-Wide Safety Plan, the Building-Level Safety Plans shall be deemed confidential and shall not be subject to disclosure under Article 6 of the Public Officers Law or any other provision of law, in accordance with Education Law, Section § 2801-a.

Full copies of the District-Wide Safety Plan and Amendments must be submitted to the New York State Education Department upon adoption by the Board of Education.

Section II: Risk Reduction / Prevention and Intervention

A. Prevention / Intervention Strategies

Program Initiatives

The East Greenbush CSD has offered programs and activities for improving communications among students and staff in order to report potentially violent incidents, such as:

- Athletic Programs (soccer, basketball, football, softball, baseball, and others)
- National Incident Management Systems (NIMS) training for all Administrators
- The New York State School Safety Guide (2013, with 2015 revision)

- The Guidance Departments and school Social Workers work with students.
- Use of School Messenger for anonymous reporting via the district website.

Training, Drills, and Exercises

The East Greenbush CSD has developed policies and procedures for annual multi-hazard school safety training for staff and students, including the strategies for implementing training related to multi-hazard incidents. All drills required by the New York State Education Department are satisfied annually. The district has established the following procedures for annual multi-hazard school safety training for staff and students:

- The District will submit certification to the New York State Education Department that all district and school staff have undergone annual training on the emergency response plan, and that the school safety training includes components on violence prevention and mental health. New employees hired after the start of the school year will receive training within thirty (30) days of hire. The district will certify that all school staff receives this training by September 15th of each year, or within thirty (30) days of hire, whichever is sooner.
- Full participation in the Annual Early Dismissal – Go Home Evacuation Drill.
- Full participation in eight (8) Fire Drills annually.
- Full participation in four (4) Lockdown Drills annually.
- Full participation in two (2) Shelter-In-Place Drills annually.

- Full participation (when time permits) for an Evacuation / Accountability Drill.
- The Transportation Department conducts three (3) bus drills annually.
- The District-Wide Safety Committee meets five (5) times a year to discuss school safety.
- Building-Level Safety Teams meet to discuss school safety and school climate.
- The District's Schools will conduct tabletop drills with input from local law enforcement, local fire departments, and local EMS agencies.

Note: Following each drill, there will be a debriefing to discuss the exercises and determine if changes need to be made to the emergency response plan. Notes will be taken to assist with the evaluation process.

Implementation of School Security

The East Greenbush CSD has developed policies and procedures related to school building security, including the following:

- All schools have a locked single point of entry through which employees and visitors enter.
- All staff must wear photo ID badges while in school buildings.
- All visitors must sign-in and put on a visitor sticker before entering school.
- Security cameras monitor school entrances and surrounding areas.
- A police officer from the East Greenbush Police Department will serve as the School Resource Officer every day at Columbia High School. *(Please see Reference # 3 for more information.)*
- A police officer from the Rensselaer County Sheriff's Office will serve as the School Resource Officer every day at Howard L. Goff Middle School. *(Please see Reference # 3 for more information.)*
- District-employed security personnel monitor Columbia High School during school days and evenings.

- The cameras at each building are monitored 24/7 by the East Greenbush Emergency Communications Center at East Greenbush Town Hall.
- All employees must be fingerprinted and pass a thorough background check before starting work in the District.
- Students must adhere to the District's [Code of Conduct](#), which contains information on the range of consequences that may be imposed if students misbehave. This information is reviewed with students each year during the opening weeks of school.
- Safety training is provided annually during Superintendent's Conference Days. The Safety Training for all school district personnel will be reported via the BEDS reporting forms (online submission) for the current school year. All school personnel must be trained in the emergency response plans, violence prevention, and mental health awareness by September 15 of the current school year, or within 30 days of hire.
- An annual safety audit will be conducted with the Districtwide Safety Coordinator and Building Administration.

Note: Policies and procedures are continually being evaluated and shaped by real-life experiences (such as bomb threats, forced entry into school buildings, and violent behavior by students, to name a few) and the District-Level and Building-Level plans will continue to evolve as such.

14. Search and Seizure Procedures.

The SRO will follow the rules of probable cause in conducting searches on school grounds, and a search warrant may be obtained if necessary. The SRO reserves the right to search in cases where the SRO has sufficient legal cause to believe that a student or staff member is armed. The SRO will not be considered an agent of the School District when conducting searches.

15. Records Retention.

The parties agree that the Agency will maintain all records in connection with this Agreement for a period as required by law.

16. Non-Appropriation.

Should funds become unavailable or should appropriate governing bodies fail to approve sufficient funds for completion of the services or programs set forth in this Agreement, the School District shall have the option to immediately terminate this Agreement upon providing written notice to the other party. In such event, the School District shall be under no further obligation to the Agency other than payment for cost actually incurred prior to termination and in no event will the Agency be responsible for any actual or consequential damages as a result of termination.

17. Possession of Firearm on School Grounds

The parties agree that the SRO may maintain possession of a firearm on school grounds in accordance with their status as a certified, full time police officer in New York State.

18. Governing Law.

The Agreement shall be construed and interpreted in accordance with the laws of New York State.

19. Assignment.

This Agreement may not be assigned by either party.

20. Interpretation.

The language of all parts of this Agreement in all cases shall be construed as a whole, according to its fair meaning, and not strictly for or against any party, regardless of who drafted it.

21. Waiver.

The failure of any party to insist on the strict performance of any provision of this Agreement or to exercise any right under this Agreement shall not constitute a waiver of such provisions or right. A waiver is effective only if in writing and signed and delivered by the waiving party.

22. Applicability.

It is understood and agreed that the entire agreement of the parties is contained herein and that this Agreement supersedes all oral agreements and negotiations between the parties relating to the subject matter thereof. Any alterations, amendments, deletions, or waivers of the provisions in this Agreement shall be valid only when expressed in writing and duly signed by the parties.

23. Severability

The invalidity or unenforceability of any provision of this Agreement shall in no way affect the validity or enforceability of any other provision.
