This year is a new start - something for all of us to look forward to. When I visited with classes this week, I asked student what they were excited and happy about and this is what they shared:

1. No Virtual Wednesdays
2. No A Day or B Day Schedule
3. And the most moving response to me was "We can see all of our friends again."

This year, we will continue to work collaboratively together as a School and Community to make this year the best we can for our students; because they deserve the best. The staff and I are eager to work with you to make this a happy, fun-filled year of meaningful learning experiences for your child. My door is always open to our families! I look forward to a wonderful school year together!

Sincerely,

Wayne Grignon
