

Dear Students and Parents,

Summer vacation is the perfect time to get lost in a good book! Whether you are on a road trip, lounging outside in the backyard, or cooling off at the pool, reading an engaging story is one of the most valuable ways to spend your time. In fact, reading for pleasure has been shown to increase vocabulary, fluency, and comprehension. Educational experts agree that reading during the summer is the best way to keep and even improve upon all of those literacy skills you learned during the school year. If these benefits are not convincing enough, remember that a good book not only magically transports you to another reality, but it can also give you a broader perspective of the world around you.

This summer, your assignment is to read at least one book of your choice. We have included a list of fantastic titles, but the books on this list are not required reading nor is this intended to be an all-inclusive list. In addition to these titles, check out the following resources:

- [Good Reads Middle Grade Suggestions](#)
- [American Library Summer 2020 Recommendations](#)
- [Teen Book Cloud Online Book Collection](#)
- [Audible Audiobook Website](#)
- [Read-Alike Book Recommendations](#)

You can also ask for suggestions at the East Greenbush Public Library! As always, parents are encouraged to review the selections to ensure the appropriateness for their particular child.

When you return to school this September, you will complete an assignment on this book in your English class. As you read, you may want to take a few notes on your favorite characters, major plot events, author's style, or anything else you find interesting. Note-taking, however, is not required.

So, enjoy your summer and find an exciting book to read. We look forward to hearing about it in September!

Sincerely,
Your 6th, 7th and 8th Grade English Teachers
