5. BOARD FORUM #1

Ms. Taylor congratulated the newly tenured teachers and acknowledged the difficulty of attaining tenure, especially the last few years. She also thanked the newly retired teachers for all they have done for the students and District. Ms. Taylor thanked Ryan and Emma for their work with Student Council, and she wished Ryan the best of luck in his next endeavor.

Mr. Buono mentioned the Mentors and Mentees. He stated giving back to one's profession is very important and he thanked the Mentors for supporting the new staff. He said he hoped the Mentees would continue their careers in the District.

6. PUBLIC FORUM #1

None at this time.

7. REPORTS AND PRESENTATIONS - SUPERINTENDENT OF SCHOOLS

A. Recognition of 2021-2022 Tenured Staff, Retirees, Mentors & Mentees and Student Council Representatives of the East Greenbush Central School District- Jeffrey P. Simons, Superintendent

Mr. Simons presented Ryan Seely and Emma Marchiony with a Certificate of Appreciation for their work on Student Council. He thanked them for coming to all the Board of Education meetings and keeping the Board up-to-date on all the school activities.

Mr. Simons congratulated the newly tenured EGTA staff. He reported the tenure process is a four-year process where the teachers have to demonstrate that they are progressing, advancing, meeting the needs of the students and are always improving their craft. The Superintendent informed the newly tenured teachers that achieving tenure is not a given, but an honor and he reminded them that they are life long learners, always growing, always getting better, always reflecting on their craft and trying to do everything they can to serve the students to the best of their ability.

Next, Mr. Simons congratulated the teaching assistants receiving tenure. The Superintendent acknowledged their role, and thanked them for all they have done to support the District, especially in the last few years.

Mr. Simons congratulated the retirees, and recognized all the years of dedication and the impact they have had on many students. He said that while the District will miss their contributions and seeing them on a daily basis, it will take comfort in the fact that they have served the community so well in helping the children receive their education. He said the retirees will always be members of the East Greenbush Central School District family, and he hopes to see some of them back substituting or just stopping in to say hello. Mr. Simons thanked all the teachers and teaching assistants in the District, particularly those that are retiring this year for the excellence they have continued to provide to the students.

Mr. Simons congratulated Ms. Phyllis Sanford-Krug for her 32 years with the District and wished her well in her retirement. He also recognized Mr. Jim McHugh, for his excellence in his many different roles throughout his years with the District. Mr. Simons congratulated him, and stated that he doesn't think he would have been as successful without Mr. McHugh on his team.

The Superintendent also congratulated the Mentors and Mentees for completing the year. He acknowledged the work of the Mentors for sharing their expertise and helping support the new teachers.

B. Reports and Presentations-Columbia High School Composting Project

Kaiden Ring, Jalena Krikorian, Maddie Hoffman, Bella Condo and Faith Webb presented their Participation in Government project about composting. The students have been working on this project for many years and presented it to the Board in hope of support to bring composting into the District. The students proposed placing bins and signs in the schools to educate the other students on the benefits of composting. They acknowledged that there are modest costs to implement composting, but feel the benefits to the environment outweigh the monetary costs.

Ms. Skumurski thanked the students for their thorough presentation and applauded them for all the work and research they put into the project. She stated that she is in full support of them and said she hopes that this project will help get the Goff garden back up and running.

Ms. O'Brien also thought it was a great presentation, and said she would fully support composting, as well.

Mr. Simons said the District will work to identify a source for the receptacles and a removal company, and will bring a proposal to the Board regarding the cost. He stated that if the Board is supportive of the proposal, the District can slowly move forward with composting beginning next year.
