Notifications/Policies

The East Greenbush Central School District is required to provide certain notifications to parents/guardians on an annual basis. Additional information may be accessed on the district website at: www.egcsd.org/board-of-education/annual-notifications.

Student Attendance Policy, Code of Conduct, Professional Development Plan and APPR Plan: These policies may be reviewed, in their entirety, on the District's website (www.egcsd.org) or may be obtained at the District's Administration Center.

Asbestos Notification: Written notice must be annually provided to parents, teachers and employee organizations of the availability of asbestos management plans, and any current or planned asbestos inspections, response actions and post-response actions. A copy of the required asbestos notification letter is available on the District's website (www.egcsd.org/board-of-education/annual-notifications) or may be obtained at the District's Administrative Center.

Code of Conduct: Student behavior is critical to providing an environment conducive to learning each and every day. The Code of Conduct contains information on the range of consequences that may be imposed if students misbehave. This information is reviewed with students each year during the opening weeks of school. The Code of Conduct can be viewed at www.egcsd.org/codeofconduct.

Equal Opportunity and Nondiscrimination (Title IX and Section 504): The Board of Education, its officers and employees, shall not discriminate in its programs and activities on the basis of race, color, national origin, creed, religion, marital status, sex, age, sexual orientation, disability or predisposing genetic characteristic. This policy of nondiscrimination includes access by students to educational programs, counseling services for students, course offerings, and student activities, as well as recruitment and appointment of employees and employment pay, benefits, advancement and/or terminations. The Board of Education, its officers and employees shall not discriminate against students on the basis of actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sex; sexual orientation, or gender (including gender identity and expression). Inquiries or complaints should be filed with Marissa Cannon, Title IX Officer, 29 Englewood Avenue, East Greenbush, NY, or by calling (518) 207-2526.

Free and Reduced Meals: Children from households that meet federal income guidelines are eligible for free meals or reduced price meals. Applications for the Free and Reduced Price Meals program are available on the District's website (www.egcsd.org) or may be obtained at the school office.

Notifications/Policies (continued)

Homeless Children: The Board will provide homeless children attending the District's schools with access to the same free and appropriate public education, including pre-school education, as other children.

Influenza Information: New York State Public Health Law Section 613 requires schools post influenza educational material, in plain view, within their facilities. That information is also available on the District website at (www.egcsd.org).

Pesticide Notification: New York State Education Law Section 409-H, and State Education Department Commissioner's Regulation 155.24, requires all public and non-public elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year. This application is required to be completed annually to continue receiving notifications. It can be found at the district website (www.egcsd.org/pesticide-notification).

Release of Information to the Military: The No Child Left Behind Act (NCLB) requires that school districts disclose to military recruiters and institutions of higher learning, upon request, the names, addresses and telephone numbers of our high school students. However, parents or students may request, in writing, that the district NOT release such information. Parents, or students who are at least 18 years old, may exercise the option to withhold their consent to release this information by contacting the principal's office at Columbia High School.

Smoking and Other Tobacco Use on School Grounds: Due to the health hazards associated with smoking, and in accordance with federal and state law, the Board of Education prohibits smoking and all other tobacco use in all school buildings, on school grounds, and in any vehicle used to transport children or personnel.

Student Directory Information: Under the Family Educational Rights and Privacy Act (FERPA), parents and or students who do not wish directory information (student's name, address, degrees and awards received, etc.) to be disclosed should notify, in writing, the Superintendent of Schools at: East Greenbush Central School District, Administration Center, 29 Englewood Avenue, East Greenbush, NY 12061.

Student Harassment and Bullying Prevention and Intervention: The Board of Education is committed to providing an educational and working environment that promotes respect, dignity, and equality and that is free from all forms of discrimination, such as harassment, hazing and bullying. The district will promptly investigate all complaints of hazing and/or harassment. Inquiries or complaints should be filed with the principal or Marissa Cannon, Title IX Officer, 29 Englewood Avenue, East Greenbush, NY, or by calling (518) 207-2526.

Student Privacy: Pursuant to the Protection of Pupil Rights Amendment, the District must notify parents of its student privacy policy, and how it pertains to certain student surveys that may be conducted during the school year. Student Records: Under the Family Educational Rights and Privacy Act (FERPA), students age 18 or older (and parents of students under 18) have a right to inspect and review any and all official records, files, and data directly related to their children or themselves. Parents should request access to school records in writing from the principal, guidance counselor, or Superintendent of Schools. Upon receipt of the request, arrangements will be made to provide access to the requested records within a reasonable period of time, not more than 45 days after the request has been received. Parents and students are also entitled to a hearing to challenge the content of such records. Any questions concerning the procedure to be followed in requesting such a hearing should be directed to the Superintendent.

Student records are confidential and may not be released or made available to persons other than parents or students without written consent. There are a number of exceptions to this rule, such as school employees and officials, as well as certain state and federal officials, who have a legitimate educational need for access to such records in the course of their employment.

Title I Meeting: School Parent and Family Engagement Policies must include specific provisions for schools that receive Title I funding including convening annual meetings to which all parents of participating children are invited and encouraged to attend. At these meetings parents are informed of the Title I requirements and are afforded the opportunity to be involved in the process as appropriate, offer suggestions, and participate in the decisions relating to the education of their children.

Transportation Notice for Special Busing Arrangements: The District transports children to and from their primary residence. Parents may request their child be transported to and from childcare sites within their school attendance zone or to New York State Licensed Childcare Providers anywhere within the school district boundaries. Special transportation requests must be received before April 1st for the upcoming school year.

New residents to the district must submit the special request forms for daycare transportation or private/parochial school transportation within 30 days after establishing residence in the district.

SCHOOL CANCELLATIONS

When it is necessary to close school, due to a snowstorm or unsafe road conditions, an announcement is immediately provided in the following places:

- District website at www.egcsd.org
- District Facebook and Twitter pages

- Radio stations WGY (810 AM/103.1 FM), WFLX (92.3 FM), WYJB (95.5 FM), WRVE (99.5 FM), WGNA (107.7 FM)
- Television channels 6, 8, 9, 10 and 13
- Parents/guardians will also receive a text message on their cell phones via ParentsSquare. For more information on this service, visit www.egcsd.org/parentsquare.

The decision to close the schools is made by the Superintendent of Schools after consultation with the Supervisor of Transportation. Occasionally, although schools may be open, due to local weather and road conditions it may not be possible for school buses to travel certain roads within the District. IN SUCH A CASE, STUDENTS SHOULD WAIT FOR 15 MINUTES AFTER THEIR NORMAL PICKUP TIME AND THEN RETURN HOME OR GET TO SCHOOL ON THEIR OWN INITIATIVE. Such situations are regretted but unfortunately are unavoidable. Your cooperation in such cases is greatly appreciated.

Parents should also be aware that changing weather patterns might force the early closing of schools. It is suggested that contingency arrangements be made with neighbors in the event that one or both parents are working. This will assure that the children will have a warm place to go in the event that classes are dismissed early. Should this necessitate your child changing bus routes please be sure that his/her school is aware of these arrangements at the start of the school year.
