Hearing Coverage with Every Plan

Hearing

All CDPHP Medicare Advantage members are eligible for our hearing health program through Hearing Care Solutions. With this program, you:

- ▶ Get a comprehensive hearing exam, evaluation, and hearing aid fitting
- ▶ Choose two hearing aids and pay as little as \$199 for each
- ▶ Receive a three-year supply of batteries (up to 192 cells per ear)
- ▶ Enjoy a three-year warranty, including loss, damage, and repair (a deductible applies to all warranties)
- ▶ Get one year of follow-up care at no charge*, including routine visits and in-office repairs

** Routine services for the first year are with original provider. Any services during the first year not administered by the original provider are subject to charges at the provider's discretion.*

Hearing coverage is a Value Added Benefit (VAB), not a covered Medicare Part A or Medicare Part B benefit. Member is responsible for copay even if the Maximum Out-of-Pocket for In-Network Medicare covered benefits has been met.
