

# Meet your teacher!

*Hello! I'm Mrs. Stauder,  
but you can call me Mrs. S!*

## All About Me:

- I have been a preschool teacher for over 15 years!
- I lived in Hawaii for two years, where I earned my Master's Degree in education.
- I LOVE to eat sushi and freshly baked cookies!
- I have two children at home (and in this school!): Maximus and Mila.
- I have a pug named Zeus and a french bulldog named Louie.
- My favorite thing to do is travel, bake and read!

## Class Info:

In pre-school we will focus on our social emotional development, as well as our physical and cognitive development. We will create and establish the rules of the classroom together and learn how to listen when others are speaking. We will also learn how to ask questions by taking turns.

Sharing "all about me" posters will help your child begin this process! Please use the star poster board we provide for you on 9/6 to create a picture collage about your child. You may include pictures of family, friends, pets, and places they have been. Bring it back to school the following week of 9/11.

I would love to use pictures of your child's face around the classroom to help make our room feel more like home. Your child's face and name will be on their cubby, job chart, center stars, and many other areas of the room. Please collect a few photos to bring in or email me before the first day of school 9/7.
