

***Columbia High School Physical Education
Bowling Field Trips 2023-2024***

Round 1: November 27th - December 8th

Round 2: January 2nd - January 12th

Round 3: January 29th - February 9th

Dear Parents/Guardians,

Columbia High School is sponsoring free bowling trips for all the PE classes. We are excited to have this opportunity as Bowling is a lifetime fitness and recreational activity. Each year this proves to be a favorite amongst the Columbia students. We are very fortunate to have the East Greenbush Bowling Center and CHS working together. This unit is a required part of the CHS PE curriculum and all students must attend.

All Students will have the opportunity to bowl for 4-5 classes from either 11/27 to 12/8, 1/2 to 1/12, or 1/29-2/9 based on your scheduled PE teacher. The cost of bowling per child is \$0 and trip cancellations will not be made up.

Students will be provided transportation by an EGCS D bus. They are not allowed to drive to, be dropped off, or leave from the bowling alley. Bowling is a privilege and all school rules must be observed. Students are only allowed to go bowling during their scheduled PE class and are not permitted to attend bowling classes during their lunch, study hall or free period.

If you have any questions or concerns please email your child's PE teacher.

Sincerely,

The CHS PE Staff
