This year our 8th graders will have the opportunity to participate in this great fundraiser to earn money for their trip!

To place order(s) – just go to the website above, click “order online” (all sales for this fundraiser will only be done ONLINE, no cash will be accepted).

Please make sure when ordering a car wash, the student’s name that the money should go to is entered in the appropriate box so they receive their credit(s).

All students who participate in this fundraiser will receive 50% of their total sales and that amount will be applied to their trip balance!

Thank you for your support of our students and their wonderful opportunity to attend these very special trips!

This fundraiser will run from Oct. 27th, 2023 - Feb 23rd, 2024
