

Project Funding

Total cost is an estimated \$116 million.

- State Aid:
 - NYS Building Aid will fund 72% of eligible project costs
 - The district anticipates 84% of project costs will be eligible for building aid
- Capital Reserve:
 - Voter-approved savings from previous years
 - Contribution: \$2 million from the capital reserve to offset project costs
- Debt Payoff:
 - District nearing final payoff of debt from prior capital projects
 - Older debt payments will drop off and comparable new debt payments will be added
 - **Result: Local taxpayer share is projected to be tax neutral**

Capital Project Planning

Building a Bright Future!

East Greenbush Central School District
www.egcsd.org/capitalproject

Introduction

The East Greenbush CSD is developing a new Capital Project that would improve facilities and grounds at all seven schools.

The proposed project includes items such as adding air conditioning throughout all five elementary schools, classroom additions at elementary schools, library renovations, new playgrounds, athletic field improvements, upgrades to roadways, sidewalks, parking lots and drainage, and infrastructure improvements at all schools.

- Building Condition Survey required by New York State every five years
 - Includes a review of all occupied school buildings and grounds throughout district
 - Identifies and prioritizes potential capital improvements
 - Submitted to NYSED in March 2023
- New Capital Project is being developed based on 2023 Building Condition Survey
